Irrespective of the number of trading accounts that a Client may operate with ATFX, the Promotion is only applicable to one account per legal entity or natural person which is the first account he/she opens or deposits into during the promotion period.

"Balance" shall mean the amount of money in the Account, excluding credit and the floating profit of currently open orders.

The Credit Bonus is available to clients for trading within 6 months after accepting the T&C and receiving the Credit Bonus in the trading account; after this period, the Credit Bonus shall be removed. Trading lots will start counting after credit into the Client trading account.

3. Duration

3.1. The Promotion Period starts from 00:00 on October 1, 2025, until 23:59 on December 31, 2025.

4. Specific Program Terms

- 4.1. This Promotion is applicable to CFDs, Forex, precious metals, commodities, indices and futures only (excluding cryptocurrencies CFDs, shares CFDs).
- 4.2. The Promotion Terms are applicable to the MT4 and MT5 Standard accounts only.
- 4.3. Irrespective of the number of trading accounts that a Client may run with ATFX, the Promotion is only applicable for Clients using one account under one identity.
- 4.4. Any transfers between accounts are not considered as deposits for the purposes of participating in this Promotion.
- 4.5. If any Clients have met the eligibility criteria, the credit bonus shall be added to the Client's ATFX Trading Account in approximately 1 working day.
- 4.6. The Credit Bonus is non-losable and fully tradable. It becomes withdrawable once the Client fulfils both the Eligibility Criteria and the Minimum Traded Lots requirement. The bonus will be cancelled in the event of a withdrawal or internal transfer out made before reaching the volume requirement. This may affect current positions and the account may reach liquidation (margin out/stop out). Clients should acquaint themselves with the terms & conditions and check whether the withdrawal will impact any open positions negatively to avoid unnecessary losses. The client should take the responsibility for managing the account position.

Example:

Client A made the first-day deposit of US\$2,000 on October 10, 2025, and received US\$1,000 credit bonus (50% of the first-day deposit and up to US\$5,000) on October 11, 2025.

- Client A makes several trades over the next few days resulting in a \$500 profit after making trades worth 30 lots by October 21, 2025, raising his account balance to \$3,500.
- Client A withdraws US\$500 from his account on October 22, 2025, which results in an automatic cancellation of his credit bonus, and his account balance falls to \$2,000, instead of the expected \$3,000.
 - the client's credit bonus was automatically removed because he had traded 30 lots instead of the required 200 lots in order to make the bonus a part of his account balance.
- Client A has two accounts with ATFX and transferred US\$500 to his other account on October 22, 2025, resulting in an automatic cancellation of his credit bonus.
 - An internal transfer to another account is also considered a withdrawal and will result in the bonus being cancelled if the trader has not traded at least 200 lots.

- 4.7. The equity in the client's trading account must be above the credit amount. Once equity is lower than the credit amount, the credit bonus will be cancelled automatically.

Example:

Client B made the first-day deposit of US\$1,000 during the promotion period, and received US\$500 credit bonus (50% of the first-day deposit and up to US\$5,000). The client now has US\$1,500 for trading. If the client's account equity goes below US\$500 through trading, this will result in an automatic cancellation of his credit bonus.

- 4.8. All eligible Clients are permitted one registration per one (1) unique IP address only. Multiple registrations of live trading accounts from the same IP are not allowed nor various registrations with the same personal details. In such a case, ATFX reserves the right to exclude such persons from the promotion immediately.
- 4.9. The Credit Bonus will be forfeited after 6 months from the date the Client received the Credit Bonus in the trading account, and the corresponding credit will not be refunded.
- 4.10. If any Clients have met the Minimum Traded Lots requirement, the credit bonus shall be added to the Client's ATFX Trading Account balance in approximately 7 working days.

5. Miscellaneous

- 5.1. In the event that any dispute and/or misrepresentation is made in relation to the above applicable Terms, such dispute and/or misrepresentation shall be resolved by ATFX, acting in good faith and as it shall, in its sole and absolute discretion, be deemed fit and proper. ATFX reserves the right to make the final decision in case of disputes, which shall be binding.

- 5.4. ATFX has the right to alter these Terms at its absolute discretion and to suspend and/or terminate the Promotion if its continuation is rendered impossible due to extraordinary circumstances beyond the control of ATFX (natural disasters, political conflicts, etc.).
